

Date	Hashtags	TikTok Link	Summary
December 27, 2024	#mom	https://www.tiktok.com/@kalebbryan/video/7453109659021430058	TikTok 1: The son of a migrant worker explains his mom's experiences working in the US to pay for education growing up. He details the conditions she encountered, including working 12 hours a day, living in cramped rooms, and being severely underpaid.
June 1, 2024	#exploitation	https://www.tiktok.com/@nzdechor/video/7375681403666599186	TikTok 2: Migrant workers explain how they were exploited by their employer in New Zealand. Despite working 7 months in the Kiwifruit industry, they were not paid by their employers, and eventually, the company was liquidated, allowing the employer to escape without accountability.
October 7, 2024	#migrantworkers	https://www.tiktok.com/@dwnews/video/7423052442843057441	TikTok 3: Migrant workers explain the lack of support from the Lebanese government during Israel's bombardments of Lebanon. Although many migrant workers have lost their homes due to shelling, the government refuses to provide shelter as they are not citizens, thus forcing them to sleep on the streets.
January 11, 2025	#migrantworkers	https://www.tiktok.com/@maxchernov/video/7455450186098298155	TikTok 4: A Bangladeshi migrant worker details how agencies exploit migrants through high up-front costs. With costs up to \$8,000, agencies force migrants to take loans from them at high interest or sell land to fund travel to Singapore for work.
February 13, 2025	#qatar2022	https://www.tiktok.com/@gintas_tuska/video/7470930295781346582	TikTok 5: A journalist explains the use of the Kafala system during the 2022 Qatar FIFA World Cup. Under Kafala, migrant workers would be forced to surrender their passports to their employers and survive with severely low wages, cramped camps, and no avenue to leave Qatar without the employer's permission.
